Chirag Rajdeo

Creative Technologist & New Media Designer

rajdevc123@gmail.com | +91 94040 38393 | linkedin.com/in/chirag-rajdeo

Skills

Physical Computing & Fabrication: Arduino, ESP32, Sensors & Actuators, Circuit Prototyping, Microcontrollers, Soldering, 3D Printing, Rapid Prototyping across materials

Creative Coding & Interactive Media: TouchDesigner, MadMapper, Processing, Python, Interactive Installations

AI & Agentic Workflows: Claude, Cursor, Codex, Local LLMs (Ollama), Computer Vision, AI-Assisted Prototyping

Design & Prototyping Tools: Figma, Adobe Creative Suite (Photoshop, Illustrator, InDesign), Miro

3D, Motion & Video: Blender, After Effects, Premiere Pro, DaVinci Resolve

Audio & Voice Pipelines: ElevenLabs, Speech Pipelines (STT, TTS, VAD), Sound Design, Audacity

Practice & Process: Interaction Design, Physical-Digital Integration, Experience Design, Research-Led Making, Rapid Prototyping, Cross-Disciplinary Collaboration

Education

National Institute of Design, Gandhinagar

Master of Design (M.Des), New Media Design — 2025 – Present

Physical Computing, Interactive Environments, Tangible Interfaces, Speculative Design, Design Thinking, Research Methodology

Atlas SkillTech University (ISDI Parsons)

Bachelor of Design (B.Des), Visual Communication Design — 2017 – 2021

Visual Design, Typography, Motion Graphics, Branding & Identity Systems, Information Architecture, Digital Media Production

University of Mumbai (IDOL)

Bachelor of Arts (B.A.), Sociology — 2017 – 2020

Social Research Methods, Cultural Studies, Media & Society, Human Behavior, Qualitative Analysis

Work Experience

Dr. Reddy's Laboratories

Digital Studio Manager — 2022 – 2025

- Set up and led operations for an in-house digital studio, managing technical infrastructure, equipment, and workflows through end-to-end delivery
- Designed and developed 25+ interactive learning experiences (scenario-based, gamified, and instructor-led modules), generating an estimated ₹1.5 Cr+ in cost savings
- Built and deployed an enterprise SharePoint studio portal featuring an interactive 360° virtual tour for organizational stakeholders
- Produced 250+ multimedia assets across digital and print formats; developed unified brand identities and guidelines for enterprise learning initiatives

Future East Film

Creative Producer — 2021 – 2022

- Produced 20+ commercial digital campaigns for global brands including OnePlus, Reckitt, SBI, Marico, and Facebook (Meta)
- Authored pitch decks and storyboards; managed production coordination across directors, animators, VO artists, casting, and DI post-production studios through final master delivery

Sunset Cinema Club

Graphic Designer — 2020 – 2021

- Designed 50+ multi-platform visual assets across print, web, social, and mobile for experiential cinema events
